

# CONSTITUTIONAL AMENDMENT FULL TEXT

**Ballot Title:** Register and Vote Amendment

**Ballot Summary:** This amendment allows a U.S. citizen who is eligible to vote under Florida law to both register and vote at the same time at early voting sites during early voting and at polling places on Election Day. This amendment does not change the eligibility requirements to register to vote. Effective July 1, 2023.

**Article and Section Being Created or Amended:** Article VI, Section 8

**Full Text of the Proposed Amendment:**

**Registering and voting.—**

(a) A citizen of the United States who is eligible to vote under Florida law may both register and vote at the same time at early voting sites during early voting and at polling places on election day.

(b) This section does not change the eligibility requirements to register to vote.

(c) This section shall be effective July 1, 2023.
