

## CONSTITUTIONAL AMENDMENT FULL TEXT

**Ballot Title:** Requiring a minimum of forty percent of Florida's annual budget to be appropriated for education.

**Ballot Summary:** Require Florida's Governor and Legislature to appropriate an annual budget for education which totals a minimum of forty percent of the total spending appropriated in the State of Florida's annual budget, including appropriations for early childhood education, K-12 schools, vocational institutions, colleges, and universities.

**Article and Section Being Created or Amended:** Creates - Article IX, Section 9

**Full Text of the Proposed Amendment:** Section 9, EDUCATION

This amendment requires that the total appropriations for education included in the State of Florida Annual Budget, as established by the Florida Legislature and signed into law by the Governor of Florida, shall total no less than forty percent of the State of Florida Annual Budget for each fiscal year. Total appropriations for education shall include appropriations for early childhood education, K-12 schools, vocational institutions, colleges, and universities.
